easyPOS – Privacy Policy

Last Updated: 23/10/2023

This privacy policy explains how easyPOS ("we," "us," "our") collects, uses, and shares your personal information when you use our products & website ("easypos.lol").

Information We Collect

When using easyPOS our products or website, we may collect the following types of information:

- Information you provide:
    - When you sign into our website with Roblox, we collect your Roblox username, avatar and user ID.
    - When you sign into our website with Discord, we collect your Discord username, discriminator, avatar and user ID.
- Information we automatically collect:
    - We may automatically collect information about your device, such as your IP address.
- Information we receive from third parties:
    - We may receive information about you from Roblox, Discord and Parcel when you sign in on our website

Use of Information

We may use the information we collect for the following purposes:

- To provide and maintain easyPOS.
- To serve downloads for purchased products and/or commissions.
- To protect the integrity and security of our services.
- To improve your experience on our website.
- To improve our website and develop new features.
- To comply with legal obligations.

Sharing of Information

We may share your information with the following types of third parties:

- Service providers: We may share your information with third-party service providers who help us provide easyPOS, such as hosting providers.
- Legal requirements: We may share your information to comply with legal obligations or to protect our rights, property, or safety, or the rights, property, or safety of others.

- External services: We use multiple external APIs in-order to provide our website, this includes Roblox, Discord and Parcel.

Your Choices

You may choose not to provide certain information, but this may prevent you from accessing certain features on our website and products.

Data Retention

We will retain your personal information for as long as necessary to provide easyPOS and fulfil the purposes described in this privacy policy. We may also retain and use your information as necessary to comply with legal obligations, resolve disputes, and enforce our agreements. We keep logs of when products are downloaded and ran inside of your games. We use this data to identify sources of our products being shared.

Security

We take reasonable measures to protect your personal information from unauthorised access, use, disclosure, or destruction. However, no method of transmission over the internet or electronic storage is 100% secure.

Changes to this Policy

We may update this privacy policy from time to time. We will notify you of any changes by posting the new privacy policy on this page and by notifying you in our Discord server (accessible via https://discord.gg/B2HjcnT8mV). If the changes are relatively major, we may require you to acknowledge the changes before continuing to use our services.

Contact Us

If you have any questions about this privacy policy, please contact us via the easyPOS Discord server (accessible via https://discord.gg/B2HjcnT8mV) or by emailing privacy@easypos.lol.
